

CANVAS MUTUAL DEPENDENCIES

1. Fill in all stakeholder groups for your project
2. Fill in their main intertests in the project
3. Fill in your own organisation's interests in the project
4. Draw lines between the different stakeholder groups, including your own organisation, and write down their dependencies on the other groups
5. Are these mutual (arrows on both sides) or do they differ (two different lines with an arrow on one side)?
5. Highlight the most important interests and dependencies that can (positively or negatively) impact the project and the collaboration around it
